

## MicroPanther 446

With user-friendly and simulation features, the flat-bed lathe, MicroPanther 446 is one of the most superb designs for education training or medium production. The model provides a maximum cutting capability with unique features and less maintenance requirement at extremely competitive price.

ITEM	UNIT	MP446
Swing in gap	mm	546
Swing over bed	mm	446
Swing over cross slide	mm	240
Max. cutting length	mm	650(QCT) ; 600(LS turret)
X axis travel	mm	250
Z axis travel	mm	760
Rapid feed (X & Z)	m/min	15 & 15
Spindle hole diameter	mm	Ø52
Spindle speed	rpm	3000
Spindle motor	kW	Fagor 5.5/7.7;Siemens 7/10;Fanuc 5.5/7.5
Machine weight	kg	2600
